Introduction

Rahubaat "greetings", let me, your spiritual master **Atum-Re** take you one step higher and introduce you to a once in a life time phenomena, the re-birth of our very own language which is the ancient **Tama-reyeaat "Egiptians"** mystery language called **Nuwaupic**. There were many dialects in Ancient Egypt and various scripts, but you are about to learn the mystery language of Ancient Egypt. When you hear two people speaking Polish, you think, Pollack. When you hear two people speaking Japanese, you think Japanese. When you hear two people speaking Arabic, you think Arab. And most languages come with a culture. Well, it is time again, for a unified language. Remember as religious people believe, that the whole **Ta "earth"** was at one time, one single language, and they lived in peace without confusion or babel and with the diversity of tongues, languages, dialects gave birth to separation, division of cultures, racial superiority and inferiority and the eventual wars between humans. It is time for we as a people to come together as a godly family and a perfect step to succeed is to resurrect that once old language that existed before man became beast. The language of Pa Neteraat, "**The Deities**", the gods. Some called them **Eloheem**, others **Alihaat**, others **Anunnaqi**, but they were the **Neteraat**. However, they choose to call the beings that germinated this planet, they had a tongue that they spoke and that they taught to their children on this planet, and then divided it into many tongues.

Well, it is being brought back together into one tongue, called **Nuwaupic**, which has several scripts, the Hieroglyphics, we of **The Ancient Egyptian Order** will use is seen on the cover. But, this little pamphlet is put in English so that it will be made easy and simple for you to learn. There however is, available a complete language book with grammar, dictionary, alphabet books, coloring books, easy lesson series, flash cards, audio tapes, video tapes, and C.D. Rom, distributed through **The Ancient Egyptian Order P.O. Box 5579, Athens, Ga 30604-5579**. The quickest and simplest way to learn, is to get the beginner's edition with tape, the intermediate edition with tape and the advanced edition with tape, appropriately entitled, "**Ancient Egyptian Mystery Language, Made Easy**".

Tawuh Antuten.
